Sub: Regarding On-line nominations for 2021-22 under INSPIRE AWARDS –MANAK scheme

Sir

This is with reference to the Teachers orientation workshop which was conducted on 25/08/2021 on the subject cited above.

You all are aware of the fact that Teachers orientation workshop under INSPIRE AWARDS –MANAK scheme was conducted by National Innovation Foundation for the teachers of District Chamba on 25/08/2021 in which 370 teachers participated and real time queries and suggestions from teachers were taken up and addressed by the authorities .Now it's the time for the timely action at your end and all the GSSS/GHS/GMS/Private schools must ensure the nomination of the students from their respective schools for the year 2021-22.The nominations are now open from July 15, 2021 to October 15, 2021 to all GSSS/GHS/GMS/Private schools of the state .

Due to COVID-19 pandemic all the schools of the state are closed, however this time can be used by the students for generation of innovative ideas which can be submitted to the online portal. Each school can submit a maximum of five ideas/innovations of students. Submission of same idea by multiple students of same school will atomically lead to rejection of all entries of that school. Please ensure that the student has their own bank account. So you all are directed to submit fresh on line student's nominations for the year 2021-22 to derive benefits of this scheme for encouraging students of our schools to become innovators and active participants in national building. You are also directed to issue necessary directions to the in charges of middle schools under your control to do the students nominations of their respective schools for the year 2021-22 through E-MIAS portal well in time to avoid the last minute inconvenience.

For any query and assistance in this regard you may contact District Nodal Officer (Inspire awards scheme) in the office of undersigned at mobile no. 9418423728/8278878299
